

Young Professionals of Brown County program enables business retention through networking & community involvement. This program helps young professionals derive substance and strengths from community service projects, peer –to–peer interactions, and leadership development.

Each quarter Young Professionals of Brown County will have a meeting, a luncheon, a service project, and a mixer. Meetings fall on the second Wednesday of the first month of the quarter.

This program is for career minded individuals ages 25-40. To be a member it is \$45.
